Ms Breen,

You are welcome to review our files. Since these sites have a long history most of the information is in hard copy files at our Albany office. Please contact Cindy Costello at 518-402-7556 to arrange for a file review. Additionally you should contact Tim Rice of the NYS Department of Environmental Conservation (cc'd on this note) as they have information on these sites as well. If you have any questions, feel free to contact me.
